Get ready to contribute code to Keycloak!

Open Source Software: The $9 Trillion Resource Companies Take for Granted

Many companies build their businesses on open source software, code that would cost firms $8.8 trillion to create from scratch if it weren't freely available. Research by **Frank Nagle** and colleagues puts a value on an economic necessity that will require investment to meet demand.

Featuring Frank Nagle and Manuel Hoffmann. By Rachel Layne on March 22, 2024.

Keycloak DevDay 2025

📅 March 6, 2025   📍 Darmstadt, Germany

The Community Class Reunion for Keycloak Developers
